I apologize for a change in my schedule on Friday, but I have a dissertation proposal presentation to go to from 10:00 - 12:00 on Friday. It could last longer. Would 11 to 12 (pacific) work for everyone?

Following up on our brief call earlier today - I talked to Karl Gustavson this morning and he indicated that he and Earl Hayter are available to discuss the MNR comments this week. Please be sure to include me and Kristine if you go ahead and set up a call.

thanks
Chip
